## To Diagnose & Treat the diseases before these become incurable

Syed Naemul Hassan, Chairman CHAEF and  
Dr. Adeb ul Hassan Rizvi

Dear Well Wishers,

Please note the High Blood Pressure (B.P) and Diabetes are silent killers and the victims of these diseases are mostly poor people who keep on delaying diagnosis and treatment, as a result have the problem of Kidney and Heart failure, although all CHAEF Health Care Centers provide two days medicines for both diseases with regular checkup In presence of subject slogan of Children Health & Education Foundation (CHAEF). Syed Naemul Hassan, Chairman CHAEF had a meeting with Dr. Adeb ul Hassan Rizvi, Chairman SIUT, to seek his assistance in providing filter and initial diagnostic facilities at our 22 Primary Healthcare Centres established at Karachi and villages at Hub area. Dr. Adeb ul Hassan Rizvi agreed to conduct one day filtration training to the doctors of CHAEF at Sindh Institute of Urology and Transplantation (SIUT) for kidney related diseases at initial level. Thereafter, all our centres will also act as filter clinics for Kidney related diseases.

As per the meeting with Dr. Adeb, the doctors of CHAEF have been provided on job training at SIUT to conduct, diagnose and treat outpatients of Kidney related diseases so that CHAEF could refer the patients to SIUT for further treatment.

Mr. Muhammad Ali Chairman Security Exchange Commission of Pakistan (SECP) and Member KSE visited our state of art Primary Health, MCH, Ultrasound & Blood Collection Centre with Free Laboratory Test at Sultanabad off M. T. Khan Road, Karachi. He is our Patron and had sponsored our Primary Health Centre.

Children Health & Education Foundation (CHAEF) established a Tent City at Village Muhammad Khan Soomro at Thatta – Sindh with the help of Canadian Donor Agency "IDRF Canada" for the flood victims. CHAEF provided 100 Tents, 100 Chatais (mats), 500 Quilts (comforters), Dry Ration for one month, Fresh Drinking Water and full fledged Mini Hospital for the flood survivors and the residents of the area.

Ms. Jane Connolly, Program Director IDRF Canada and Mr. Shahzad Hussain, Representative IDRF Canada in Pakistan very kindly visited the Primary Healthcare Centre and Head Office CHAEF in Karachi.

## The Concept Behind Establishment of CHAEF

Syed Naeemul Hassan  
Chairman & CEO  
Children Health &  
Education Foundation

Dear Well Wishers,

It was realized after working for over 17 years with LRBT and Shaukat Khanum Cancer Hospital that painful and terminal diseases can be early detected, prevented and treated at Primary Healthcare Centre to save patients from fatal and deadly diseases like **Cancer, Kidney, Heart, Eye, Diabetes, High Blood Pressure, Thellosemea, Hepatitis, HIV, T.B, Lekuria, MCH and so many women related diseases**, thereby saving lives of poor and needy patients at stage 1 of diseases at Primary. Healthcare Centres established by CHAEF with the help of your generous Zakat and Donations and CHAEF is achieving the objective mainly because of our Sponsors.

We appeal for your generous support to help us to continue free healthcare services to the poor and needy to detect, treat and refer the patients of curable diseases before these become incurable.

We are pleased to inform you that with the support of well wishers and benefactors the Vision has now become a reality. We are diagnosing treating and medicating more than 9000 diseases daily of the patients visiting all our 39 established and mobile healthcare centres where 142 health and education activities are conducted. The healthcare activities include free Consultations, Diagnostic Tests that include Ultrasound Facility, Mother & Child Healthcare and quality Medications (to date in a short span of 7 years a total number of over 8.2 Million diseases of patients have been treated with Medications) The schools are laying special emphasis on Computer training and English Language Skills besides providing basic education to all the residents of these deprived areas mostly Katchi Abadis.

May God bless you and your loved ones.

## A Well Wishers says:

*Did you have life easy?*

*No. But you made it your mission  
To make it a little easier for others.*

*You opened your heart to all children  
Giving them respect, education, care  
Making sure their little voices didn't go unheard  
But your spirit of service stayed intact.*

*Two rented rooms, pieces of rented furniture  
You started small, but your heart was big  
Your God-given gifts, you used in God's name  
And He blessed you hundredfold.*

*Many men's pride is swelled with success;  
Yours increased your humility  
So you turned your institution over to Allah  
Its. Profits to profit the poor.*

*All men have dreams - a thing apart from life  
You said Why not? And worked to make them real  
Free clinics and dispensaries on wheels even schools*

*You spoke the truth, unwavering, unafraid  
Pray to Allah to give you long life so poor may have more  
support.*

**CHAEF was founded by Syed Naeemul Hassan in 2003 with two rooms primary healthcare centre and five rooms primary school. CHAEF now grown and has 39 Health and Education Centres all over Pakistan.**
